NATIONAL RIFLE ASSOCIATION

Dear Club Member

Use of MoD ranges in England during Covid-19 restrictions

The NRA welcomes further guidance published by the Government on 14th September that confirms that organised sporting or licenced physical activity can take place in groups that exceed 6 people.

Shooting is included in the list of permitted activities.

Refer to section 3.16 below

<https://www.gov.uk/government/publications/coronavirus-outbreak-faqs-what-you-can-and-cant-do/coronavirus-outbreak-faqs-what-you-can-and-cant-do>

The NRA is in consultation with the MoD to see if the new Government Guidance will allow NRA affiliated Club bookings on MoD outdoor ranges in England to resume.

We will publish further updates to members and affiliated Clubs once we have concluded our discussions with MoD.

In the interim, we thank members and affiliated Clubs for their patience and understanding.

Shooting on the NRA Bisley ranges is unaffected.
